**ACHC Platinum Sponsor for DNV GL's 5<sup>th</sup> Annual Healthcare Symposium**

**Cary, NC-** Accreditation Commission for Health Care (ACHC) is pleased to be the Platinum Sponsor for the fourth year in a row at DNV GL's 5<sup>th</sup> Annual Healthcare Symposium. DNV GL is an international hospital accreditation company based in Norway. ACHC and DNV GL formed a partnership in 2013 to provide hospitals with a total accreditation solution. The two organizations share similar philosophies about the survey process and a common interest to assess the ability of organizations to deliver high-quality services.

"This is truly a customer-focused solution. Through our partnership with DNV GL, hospitals have an alternative they can feel good about that meets our mutual goal of improving patient care," said José Domingos, ACHC CEO. "We are proud to support this distinguished company through our sponsorship of their annual symposium."

DNV GL's Annual Healthcare Symposium will be held on October 12-14, 2016, at the Marriot Orlando World Center in Orlando, Florida. The event is designed to be a learning and networking experience for DNV's customers and partners. This year the event will feature even more peer presentations from hospitals around the country who will share how they addressed compliance, accreditation, quality and patient safety. ACHC will have an exhibit booth where attendees can stop by and learn about the partnership and ACHC's accreditation for ancillary services.

ACHC is a nationally-recognized accreditation organization that has stood as a symbol of quality and excellence since 1986. The organization has CMS Deeming Authority for Home Health, Hospice, and DMEPOS and a Quality Management System that is certified to ISO 9001:2008. Achieving ACHC Accreditation reflects an organization's dedication and commitment to meeting standards that facilitate a higher level of performance and patient care.
