## **ACHC and MHA Renew Partnership**

**Cary, NC** – Accreditation Commission for Health Care (ACHC) announces the renewal of its partnership with Managed Health Care Associates, Inc. (MHA), a leading health care services and software company focused on alternate site health care providers. The partnership allows MHA members to continue to receive special pricing on ACHC Accreditation services.

“ACHC and MHA are both dedicated to enhancing business operations and supporting providers in their goal of improving patient outcomes,” said Tim Safley, ACHC Program Director. “The renewal of our partnership demonstrates an ongoing commitment by MHA members to demonstrate a higher level of performance, patient care, and safety by achieving accreditation.”

MHA offers a portfolio of services and solutions to support the needs of alternate site healthcare providers. By delivering innovative health care services and solutions, MHA helps its members increase operational efficiency, maximize business growth, and provide optimum patient care. MHA invests in innovative solutions, software, and services for its members, including long-term care pharmacies, infusion pharmacies, specialty pharmacies, home medical equipment providers, and assisted living and skilled nursing facilities.

ACHC is known for providing value, integrity, and the industry’s best customer service. Working with ACHC is not strictly about the end result. We assist providers throughout the accreditation process by offering access to personal account advisors, clinical and regulatory support, and program-specific educational resources.

For over 30 years, ACHC has stood as a symbol of quality and excellence. ACHC offers a broad suite of pharmacy accreditation solutions, including accreditation for Community Retail, Specialty, Sterile/Non-Sterile Compounding, Mail Order, Infusion, and Long-Term Care services.

ACHC also has CMS deeming authority for Home Health, Hospice, Renal Dialysis, and DMEPOS, in addition to a Quality Management System that is certified to ISO 9001:2015.

ACHC’s flexible, educational approach makes us the provider’s choice for accreditation. We assist providers throughout the accreditation process by offering access to personal account advisors, clinical and regulatory support, and program-specific educational resources. With no annual fees, ACHC offers cost-effective, competitive pricing to help providers achieve their accreditation goals.
