ACHC and Synergy Consulting Partner to Improve Business Practices for Home Care Providers

Cary, NC – Accreditation Commission for Health Care (ACHC) announces its partnership with Synergy Consulting, a billing and collection management company that specializes in assisting home care providers. For nearly 20 years, Synergy Consulting has provided outsourcing options designed to improve business operations for healthcare agencies.

“Partnering with Synergy was an easy choice for ACHC,” said Ryan Ragan, ACHC Business Development Manager. “They have been providing a great service and peace of mind to our providers for many years, allowing our providers to focus on patient care and growth.”

Synergy Consulting customers can now receive special pricing on Home Health, Hospice, Home Infusion Therapy, and Private Duty accreditation, as well as discounts on ACHCU resources that can help providers prepare for ACHC Accreditation and stay up-to-date on industry changes through educational webinars and workshops.

Synergy Consulting provides agencies expert assistance in running back office support for billing, coding and collection services. Synergy Consulting also provides OASIS QA services and POC Creation to allow agencies to focus on expansion and growth. Synergy’s staff is specialized in a full range of billing formats and work with a variety of payor sources, including, Medicare, Medicaid, HMOs, Commercial Insurance Plans, managed care plans, and private pay. As a nationally recognized accreditor, ACHC offers a broad suite of home care compliance solutions, including accreditation programs for Home Health Aide, Skilled Nursing, Hospice Care, Hospice Inpatient Care, Private Duty Nursing, Private Duty Aide, and Home Infusion Therapy Supplier services. ACHC has CMS deeming authority for Home Health, Hospice, Home Infusion Therapy, Renal Dialysis, and DMEPOS.

ACHC has over 30 years of experience promoting safe, quality patient care and is known for providing value, integrity, and the industry’s best customer service. Providers benefit from our flexible, educational approach, which gives them options tailored to fit their needs. We assist providers throughout the accreditation process by offering access to personal Account Advisors, clinical and regulatory support, and program-specific educational resources. And with no annual fees, ACHC offers cost-effective, competitive pricing to help providers achieve their accreditation goals.
