ACHC and AmerisourceBergen Renew Efforts to Enhance Specialty Services

Cary, N.C. – Accreditation Commission for Health Care (ACHC) announced today it has renewed its agreement with AmerisourceBergen, a global healthcare company that provides innovative solutions in pharmaceutical distribution and manufacturer services.

“Extending our collaboration with AmerisourceBergen strengthens our shared focus of optimizing specialty pharmacy operations to improve patient access to specialty medications,” said Dr. Jon Pritchett, ACHC Program Director. “We are mutually committed to enhancing quality of care and business efficiency by providing services and resources that enrich those we serve — pharmacies, patients, and communities around the world.”

“We are pleased to announce our renewed relationship with ACHC,” said John Ryan, Vice President of Service Solutions and Operations at AmerisourceBergen. “We share a common interest in improving the health and wellness of patients on specialty medications and understand the significant role specialty pharmacy plays in enhancing patient outcomes. With ACHC accreditation, we believe that specialty pharmacies foster an environment of quality care and perform at the highest level.”

The collaboration gives select AmerisourceBergen customers special pricing on ACHC Specialty Pharmacy Accreditation and discounts on ACHCU educational resources that support the accreditation process.

About AmerisourceBergen

AmerisourceBergen fosters a positive impact on the health of people and communities around the world by advancing the development and delivery of pharmaceuticals and healthcare products.
