ACHC Hits Hole in One for Local Non-profit Organizations

CARY, N.C. (May 17, 2022) – Accreditation Commission for Health Care (ACHC) hosted its fifth Chipping in for Charity golf tournament Monday, May 16, at top-rated Brier Creek Country Club in Raleigh, N.C. Since its inception, ACHC’s Chipping in Charity has raised close to \$170,000 in total for two local charities, Big Brothers Big Sisters of the Triangle and SAFEchild.

“We are grateful to our sponsors and the individuals who participate in ACHC’s charity golf tournament,” said José Domingos, President & CEO of ACHC, a leader in healthcare accreditation with more than 35 years of experience promoting safe, quality patient care. “After a two-year break due to the challenges of the COVID-19 pandemic, we feel deeply motivated to renew our corporate social responsibility efforts by maintaining the growth of this philanthropic event to support charities that do so much for the youth of our community.”

Chipping in for Charity would not have been possible without the generosity of multi-year sponsors Legacy Real Property, Towne Bank, Poyner Spruill law firm, Tito’s handmade vodka and SimiTree Consulting. First-time supporters Axxess, Lincoln Healthcare Leadership and Triangle Consulting Group, along with special contributors HospiceLink, SIMPLE COMPLY, People’s Tire and Auto, and Accent Imaging helped create a memorable and successful fundraising event.

“Since its inception, the support from geographically dispersed sponsors and golfer has brought the Triangle-based community—our corporate neighborhood—and our community of healthcare partners together for a fun and successful fundraiser,” said Domingos.
