ACHC Partners with Sectyr to Enhance Compliance

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today it is partnering with Sectyr, a national provider of software solutions that help pharmacies and other healthcare organizations maintain compliance with industry best practices and regulatory requirements.

“The benefits of this partnership are many,” said Matt Hughes, ACHC Vice President of Corporate Strategy. “Sectyr has integrated ACHC Pharmacy Accreditation Standards into its compliance software system. This partnership provides exciting possibilities for simplifying and maintaining complex pharmacy compliance for both Sectyr and ACHC customers.”

“We are excited to partner with ACHC to make the tough job of compliance easier for our customers,” said James Lawson, Sectyr Founder and CEO. “Our new partnership with ACHC brings tighter integration and a better user experience for customers who use our LicenseTrak accreditation module for ACHC compliance.”

The partnership gives Sectyr customers special pricing on ACHC Pharmacy Accreditation for specialty and infusion services. Discounts on select ACHCU educational resources are also available.

Pharmacies accredited by ACHC are eligible for discounts on Sectyr’s SectyrHub® LicenseTrak® software suite to help them manage documents, licenses, accreditations, and incidents.

About Sectyr

Sectyr provides software solutions that help healthcare and other regulated businesses achieve and maintain Continuous Program Compliance® with ever-changing regulatory requirements. Used by hundreds of hospitals, health centers, and pharmacies across the country, Sectyr’s cloud-based compliance platform, SectyrHub, strengthens your compliance posture with specialized yet highly configurable software solutions for HRSA 330 grant program management, HRSA 340B drug discount program management, HIPAA risk assessment, license management, accreditation management, and incident management.
