ACHC and Axxess Partner to Support Home-Based Care Providers

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today it is partnering with Axxess, the leading global technology platform for health care at home..

"ACHC's collaboration with technology leader Axxess opens exciting opportunities for in-home care providers," said Susan Mills, ACHC Senior Program Director. "Axxess software integrates ACHC Accreditation Standards, giving organizations an efficient way to streamline record management and simplify compliance efforts."

"Our strategic alliance with ACHC is a significant milestone for Axxess and our clients," said Chris Taylor, Senior Vice President of Channel Partnerships at Axxess. "By aligning our efforts and achieving ACHC Product Certification, we are not only demonstrating our commitment to excellence but also providing our clients with the assurance that our software meets the rigorous standards set by ACHC. This partnership will enhance our ability to support home health, home care, and hospice providers in delivering top-quality care and improving patient outcomes."

The partnership gives Axxess clients special pricing on ACHC Home Care, Home Health, Hospice, and Palliative Care Accreditation. Discounts on select ACHCU educational resources are also available.

About Axxess

Axxess is the leading global technology platform for health care at home. The company offers a robust ecosystem that empowers healthcare organizations and professionals to deliver the highest quality care. By integrating with partners and payers from across the healthcare continuum, more than 9,000 organizations trust the Axxess network to care for more than 5 million patients worldwide. Multiple independent certifications have confirmed that Axxess has the most secure and industry-compliant software solutions.
