

STANDARDS UPDATE GUIDE

SLEEP

Listed below are standards updated in 2025 for ACHC Sleep Accreditation.

Organizations must be compliant with changes on the effective date and must maintain compliance throughout their accreditation period.

ACHC Standard	Services Applicable	Update Summary	Effective Date
SLC2-2A	SLC, HST	Revised language: Replaced “care without discrimination in accordance with physician orders” with “patient-centered care in accordance with physician or allowed practitioner orders.”	August 1, 2025
SLC2-2B	SLC	Revised language: Replaced “care without discrimination in accordance with physician orders” with “patient-centered care in accordance with physician or allowed practitioner orders.”	August 1, 2025
