ACHC and Cencora Renew Partnership to Strengthen Pharmacy Support

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today it is renewing its strategic alliance with Cencora, a leading pharmaceutical solutions organization.

“By renewing our collaboration with Cencora, we’re helping pharmacies access ACHC accreditation and education in ways that strengthen their businesses and position them for long-term success,” said Jeffrey Reses, RPH, HDDP, ACHC Senior Pharmacy Clinical Liaison. “Together, we’re supporting pharmacies with the standards, training, and recognition they need to provide high-quality care and earn the trust of patients, payors, and partners.”

“Cencora’s renewed partnership with ACHC highlights our commitment to advancing pharmacies by delivering solutions that drive better patient health outcomes,” said Jennifer Wilson, Cencora Managing Director, Accreditation Services. “Through meaningful collaboration, industry-leading expertise, and innovative resources, we continue to meet our partners where they are to solve their most critical challenges. ACHC remains a leader in setting regulatory standards and best practices, and together, we are empowering pharmacies to optimize operations, enhance financial performance, and expand care in the communities they serve.”

The continued collaboration gives Cencora clients special pricing on ACHC Pharmacy Accreditation, including Infusion Pharmacy and Specialty Pharmacy. Discounts on select ACHCU educational resources are also available.

About Cencora

Cencora is a leading global pharmaceutical solutions organization committed to improving the lives of people and animals everywhere. We are united in our responsibility to create healthier futures.

When we deliver on our purpose, we make a positive impact on healthcare in communities everywhere. Together with our customers, the Cencora family of companies works in service to patients. We design and deliver solutions for unparalleled access, efficiency, and reliability to move health forward.
