## **ACHC Partners with HealthRev Partners**

CARY, N.C. – Accreditation Commission for Health Care (ACHC), a leading nonprofit healthcare accreditor, has partnered with HealthRev Partners, a provider of tech-enabled revenue-cycle management solutions for home health, hospice, and palliative care agencies.

This new collaboration connects ACHC's quality-driven accreditation approach with HealthRev's expertise in streamlining revenue operations to help agencies strengthen both financial performance and patient care outcomes.

"Partnerships like this expand the resources and insights available to providers," said Susan Mills, ACHC Senior Program Director. "By aligning HealthRev's operational strengths with ACHC's focus on quality and education, we're helping home health and hospice organizations achieve compliance, improve efficiency, and deliver exceptional care."

"This collaboration brings together ACHC's recognized commitment to quality and HealthRev's expertise in streamlining revenue operations," said Hannah Vale, Chief Growth Officer at HealthRev Partners. "We're excited to empower more agencies nationwide to realize their growth objectives, achieve predictable revenue, and deliver exceptional care."

### **About HealthRev Partners**

HealthRev Partners is a leading provider of tech-enabled revenue cycle management solutions designed specifically for home health, hospice, and palliative care agencies. Their coding, OASIS review, billing, and revenue recovery services help agencies maximize reimbursements, improve cash flow, and drive continuous growth while focusing on delivering exceptional care. HealthRev Partners accelerates financial performance and operational efficiency, empowering healthcare providers nationwide to achieve predictable revenue and advance their mission.
