ACHC continues strategic collaboration with VytlOne

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today it is renewing its strategic partnership with VytlOne, the nation's only independent, fully integrated total pharmacy solutions partner.

"This renewed partnership reflects a shared commitment to quality and practical support for pharmacy organizations navigating an increasingly complex landscape," said Caroline Girardeau, ACHC Program Director. "VytlOne understands the realities facing hospital and health system pharmacies, and together we're focused on delivering accreditation and education resources that are relevant, accessible, and grounded in real-world pharmacy operations."

"This partnership with ACHC positions VytlOne at the forefront of pharmacy innovation," said Joel Wright, RPh, President of Pharmacy Services at VytlOne. "By integrating ACHC's accreditation expertise with our advanced solutions, we're setting new benchmarks for compliance, operational excellence, and improved health outcomes."

This collaboration gives VytlOne clients special pricing on ACHC Pharmacy Accreditation, including Infusion Pharmacy and Specialty Pharmacy. Discounts on select ACHCU educational resources are also available.

About VytlOne

VytlOne, formerly Maxor, is the nation's only independent, fully integrated total pharmacy solutions partner. By combining pharmacy operations, 340B management, specialty pharmacy, pharmacy benefit management, and patient affordability solutions, VytlOne is dedicated to helping mission-driven hospitals and healthcare providers improve outcomes, unlock revenue, and reinvest in healthier healthcare communities.

At VytlOne, our client's mission is our mission. VytlOne works as an extension of our client and supports and enables our partners to drive sustainable revenue growth while achieving optimal outcomes for their patients, employees, and communities.
