ACHC Renews Accreditation Guru Partnership to Support Behavioral Health Accreditation Readiness

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today a partnership renewal with Accreditation Guru, a trusted consulting firm that helps behavioral health, human services, education, and nonprofit organizations prepare for and achieve national accreditation.

“Behavioral health organizations need accreditation support that is clear, practical, and grounded in the realities of care delivery,” said Teresa Hoosier, RN, CDN, ACHC Associate Clinical Director. “Accreditation Guru shares ACHC’s commitment to helping providers prepare with confidence, strengthen quality, and build systems that continue to serve their organizations well beyond the survey.”

“Our partnership with ACHC reflects a shared commitment to quality, integrity, and practical excellence in behavioral health services,” said Jennifer Flowers, Founder & CEO, Accreditation Guru, Inc. “We value ACHC’s collaborative approach and clear standards, which align well with how we support our clients—making accreditation more approachable, efficient, and meaningful for organizations working to deliver high-quality care.”

Through this collaboration, Accreditation Guru clients receive special discounts on select ACHC Behavioral Health Accreditation services and ACHCU educational resources, supporting their efforts to achieve and maintain compliance while advancing operational excellence.

About Accreditation Guru

Accreditation Guru, Inc. helps behavioral health and human service organizations prepare for national accreditation with confidence and clarity. With a 100% success rate over 15+ years, our team delivers practical, streamlined support that strengthens compliance, improves quality, and builds sustainable systems—so organizations don’t just achieve accreditation, they maintain excellence. About ACHC

ACHC offers Behavioral Health Accreditation for a wide range of provider organizations, with 20 services that support care delivery across settings including medically monitored inpatient programs, outpatient treatment, residential care, assessment and referral services, and more. ACHC also offers a Telehealth Distinction for providers delivering services through virtual care models.

ACCREDITATION COMMISSION *for* HEALTH CARE

ACHC Behavioral Health Accreditation is built around clear, practical standards developed by industry experts to support safer care, stronger emergency preparedness, treatment continuity, privacy protections, and sustainable quality improvement. Through a collaborative accreditation experience, ACHC provides tools, resources, and access to guidance that help organizations prepare for survey and continue strengthening their programs over time.
