ACHC and RenalWise Partner to Support Dialysis Survey Readiness

CARY, N.C. – Leading accreditor Accreditation Commission for Health Care (ACHC) announced today a new partnership with RenalWise, a leading provider of software solutions for the renal industry.

“ACHC helps renal dialysis facilities understand accreditation expectations, and RenalWise helps teams put those expectations into daily practice,” said Teresa Hoosier, RN, CDN, Associate Clinical Director at ACHC. “Bringing those offerings together gives facilities a more practical way to support readiness, staff learning, and continuous improvement throughout the year.”

“We’re excited to partner with ACHC because we share a commitment to practical education, readiness, and high standards in renal dialysis,” said Mary Kay Hamilton, Managing Partner, RenalWise. “RenalWise helps providers turn requirements into everyday practice, and our software, SurveyWise®, gives teams a simple way to strengthen survey readiness, provide consistent learning around the Conditions for Coverage, and support continuous improvement.”

Through this collaboration, RenalWise clients receive special discounts on ACHC Renal Dialysis Accreditation services and ACHCU educational resources, supporting their efforts to achieve and maintain compliance while advancing operational excellence.

Additionally, facilities currently accredited with ACHC receive a 10% discount on RenalWise products.

About RenalWise, LLC

RenalWise delivers technology shaped by decades of real-world renal experience. Our current solutions support scheduling, home program coordination, and survey readiness, with future tools planned for credentialing, acute dialysis workflows, policy training, and water and machine safety documentation. We give renal organizations practical tools built around the way they actually work.

About ACHC

With over 35 years of experience, ACHC has a history of driving success with industry-leading programs. ACHC develops solutions for healthcare providers worldwide and remains committed to delivering a customized, collaborative accreditation experience.

ACHC has CMS deeming authority to offer accreditation to dialysis providers for Home Dialysis Training and Support as well as In-Center Dialysis.
